

	SMALL BUSINESS SYSTEMS	
<h1>Systems FAQs</h1>		
<div> <div> What are the next steps? </div> <div> <p>Simply reply back to our email to let me know you are ready to go ahead with your project. I will then send you a Proposal where you can select the packages and add on options that you would like. Once you submit the proposal you will sign the contract and pay the 50% invoice deposit to get your project locked in. I also offer payment plans split over 3-4 payments.</p> </div> </div>		
<div> <div> How do the payments work? </div> <div> <p>Upon contract signing, a 50% non-refundable deposit is due. For Australian clients, I prefer EFT payments, while international clients can make payments through PayPal or credit card. Before delivering the final branding/website files, the remaining 50% payment is required.</p> </div> </div>		
<div> <div> How do we communicate through the process? </div> <div> <p>I use Dubsado, a client management system I'll to provide you with a personalized, password-protected client portal. This portal will serve as a centralized hub for all of our project content & administration. Additionally, we can communicate via email & Zoom whenever necessary.</p> </div> </div>		
<div> <div> Will I benefit from using Dubsado for my business? </div> <div> <p>Yes!
